On behalf of the Senate of Canada, congratulations to the staff and all the readers of the e-monthly publication, *South Asian Outlook*, as it enters its 11th year of publication. This e-magazine serves as a popular forum linking all those of South Asian origin living throughout the world, as well as non-South Asians, in an exchange of dialogue, and experiences.

The South Asian community is an important and growing part of Canada's cultural mosaic. South Asians contribute to Canada's cultural, political, economic and social development. *South Asian Outlook* plays an important role by highlighting the many achievements of South Asians in the fields of art, culture, politics and business.

As *South Asian Outlook* continues to transcend physical, geographical and national boundaries by providing a global network and information source, I wish the publication every success for the future.

Sincerely yours,

Vivienne Poy
